

I, Valentina Webb Commission Seat #4 officially have withdrawn myself from the upcoming Commission Seat #4. Because I am a woman of God and I personally feel as if it would cause a division between Anderson William, who is my uncle and who would have been on of my opponents. Wanting to be obedient to God, His will for my life and having standards that must be upheld.

Dwell in this land and I will be with you and bless you; for to you and your descendants I give all those lands and I will perform the oath which I swore to Abraham your father and I will make your descendants multiply as the stars in the heaven; I will give to your descendants all these lands; and in your seed all the nations of the earth shall be blessed. Millions of families are in crisis today. Divorce, abuse, poverty, abandonment, etc. all hell has broken out against the family. Why? Satan has an agenda for the family demise. He knows that wealth and power begin to multiply through generations. He knows that incredible riches in physical and spiritual realms can come through the diligence and stewardship of a family. While some of the most powerful families in the world allegedly resorted to immoral or unscrupulous methods to their fortune and power, most are concerned with wealth and passed their wisdom and leadership abilities from generation to generation to create economic and political dynasties on earth. My family will continue to be a blessing to other families, this community and even nations.

I have enjoyed serving on the Commissioner board and I appreciate the citizens entrusting me with the City. Remember God always empowers whomever He employs. May God continue to bless the citizens of the City of Apalachicola, Florida.

Your Servant,
Valentina Webb
